SAFETURE®

Manhattan Riskmap

1 **WTC Site** Anticipate a heightened security presence and road cordons, including barriers, in the vicinity of the World Trade Center and the 9/11 Memorial complex.

2 **Foley Square** Foley Square is a common protest location. Track local media for possible protests and plot route bypasses to avoid demonstrations.

3 **Hudson River Park** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime.

4 **John V. Lindsay East River Park** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime.

5 **Stuyvesant Town** Travellers are advised to exercise caution in Stuyvesant Town if travelling alone during overnight hours local time in the area due to the elevated risk of crime.

6 **Washington Square Park** Washington Square Park is a common protest location. Track local media for possible protests and plot route bypasses to avoid demonstrations.

7 **Union Square** Union Square is a common protest location. Track local media for possible protests and plot route bypasses to avoid demonstrations.

8 **Flatiron District** Travellers are advised to exercise caution in the Flatiron District if travelling alone during overnight hours local time in the area due to the elevated risk of crime and panhandling.

9 **Madison Square Garden-Pennsylvania Station** Anticipate heightened security, large crowds and traffic disruptions in the vicinity of Madison Square Garden and the connected Pennsylvania Station during sports matches and other major events.

10 **United Nations Plaza** United Nations (UN) Plaza is a common protest location. Track local media for possible protests and plot route bypasses to avoid demonstrations. Anticipate heightened security and traffic diversions in the vicinity of UN buildings along the route during summit meetings and related events.

11 **Hell's Kitchen** Travellers are advised to exercise caution in Hell's Kitchen if travelling alone during overnight hours local time due to the elevated risk of crime, especially in the vicinity of the Lincoln Tunnel portals along 12th Avenue.

12 **Midtown (Times Square)** Anticipate heightened security, large crowds and traffic disruptions in Midtown during the New Year's Eve celebrations in Times Square (31 December-1 January).

13 **St. Patrick's Cathedral** Anticipate heightened security, large crowds and traffic disruptions in the vicinity of St. Patrick's Cathedral during Christian religious holidays, especially St. Patrick's Day (17 March), and parades marking Easter or Veterans Day (11-12 November).

14 **Trump Tower** Anticipate heightened security and vehicle barriers in the vicinity of Trump Tower (725 Fifth Avenue) due to its connection to the 45th President of the United States, Donald J. Trump.

15 **Central Park** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime.

16 **Riverside Drive** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime, especially in the vicinity of the George Washington Bridge landing.

17 **Morningside Park** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime.

18 **East Harlem** Travellers are advised to exercise caution in East Harlem if travelling alone during overnight hours local time in the area due to the elevated risk of crime.

19 **Randall's Island Park** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime and its remoteness.

20 **Highbridge Park** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime.

21 **191 Street Subway Station and Tunnel** Exercise caution while traversing the 191 Street subway tunnel during overnight hours due to an elevated risk of crime and the remoteness of the area.

22 **Inwood Hill Park** While this popular park is safe to visit during daytime, this park is best avoided at night due to an elevated risk of crime and its remoteness.
